World Youth Parliament
Parlamento Universal
de la Juventud

*How can we live in and for peace?
How can we build authentic
relationships together? How
should we dialogue? How should
we make decisions in common?*

*Obviously peace is the result of a
team work. How to achieve it is
less obvious.*

*Therefore, we believe that
learning how to dialogue and make
decisions together is a concrete
way to build it. This is precisely
our challenge.*
